

Robbie's Room Appeal

Robbie is a 5 year old local Chesterfield Lad who is severely disabled. He can't see, can't move, can't speak, can't eat except through a tube in his stomach and **yet he can raise a smile**

We are collecting money to build Robbie a room of his own, he lives in the living room at the moment! A room where his Mum & Dad can offer him the specialist care he needs, and a wet room kitted out to cope with the challenges Robbie faces everyday. A room where Robbie's brother and sister can play with Robbie, without disturbing his sleep when they need to get ready for school in the morning. A room where Robbie has privacy & dignity when the specialist services he needs on a regular basis comes to call. A room where he can be fed by machine, through the night, without disturbing any one else in the house.

"Robbie's Room" provides the best solution to his current and future needs. With your help we can provide the best quality of life for Robbie in the best environment for Robbie and his family.
